Cursillo is an experience involving persons coming together to celebrate the Gospel message of Jesus Christ in today's world. The focus is on Christ and one's relationship with Him, with oneself and with others. Cursillo is a very rewarding experience; it can also be demanding. *It is not intended to provide treatment for emotional problems or marital difficulties. Those who may be experiencing a personal crisis should not make a Cursillo until they have resolved this difficulty.*

Cursillo is intended to be an individual, personal experience; however, many couples have also found the weekend is especially meaningful when it is shared.

The minimum age for persons making a Cursillo is twenty-one (21).

Cursillo provides an opportunity to share in the creative process of growing in Christianity and to discover a deeper experience and understanding of the Good News. A Cursillo weekend is three days in length, Thursday evening through Sunday afternoon. *Your attendance for the entire weekend is required.*
